

Module :-6 Assignment

Question-1 What are events in Google analytics?

Answer:- Events in Google Analytics track specific user interactions on your website or app like clicks, form submissions, or video views. They consist of a category, action, label, and value to help measure user behavior and interactions that go beyond page views.

Question-2 Connect your created website and blog to search console, analytics, and google tag manager and add your faculty as a user with required permission in it.

English

By clicking "Yes" below or by using the Google Tag Manager service (the "Service"), you and the legal entity on whose behalf you are using the Service (if any) (together, "You") agree to use the Service in accordance with the Google Terms of Service (located at <https://www.google.com/intl/en/policies/terms/>), the Google Privacy Policy (located at <https://www.google.com/intl/en/policies/privacy/>), and the Google Tag Manager Use Policy (located at <https://www.google.com/analytics/tag-manager/use-policy/>), each as may be modified from time to time and collectively, the "Google Tag Manager Terms of Service."

Google Tag Manager Use Policy

Use of the Google Tag Manager (the "Service") is subject to this Google Tag Manager Use Policy (the "GTM Use Policy").

If You use the Service to support products or services from a 3rd party or designed by You (together, "3rd Party Tags") or Google, You will have and abide by an appropriate privacy policy and will comply with the EU user consent policy (located at <https://www.google.com/about/company/user-consent-policy.html>) and all applicable agreements and regulations (also relating to the collection of information), including for example:

- the Google Analytics Terms of Service located at: <https://www.google.com/analytics/terms/us.html>,
- the agreement between You and Google that is in effect during the dates that You are participating in the Service, and
- the Google LLC Advertising Program Terms (or, if applicable, as negotiated).

If You have 3rd Party Tags delivered through the Service:

- Google is not responsible for 3rd Party Tags.
- Google may screen such 3rd Party Tags to ensure compliance with this GTM Use Policy.
- You guarantee that You have the rights to upload the 3rd Party Tags.
- You agree not to, and not to allow third parties to use the Service or interfaces provided with the Service:

- to engage in or promote any unlawful, infringing, defamatory or otherwise harmful activity;

☒ I also accept the [Data Processing Terms](#) as required by GDPR. [Learn more](#)
